

DTR-HMI-TINY-EN-V1

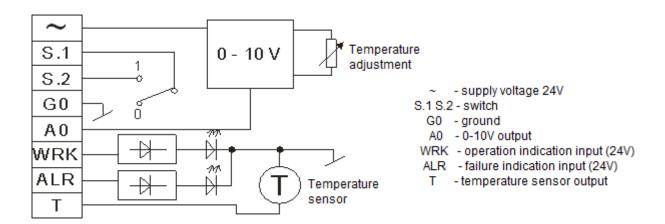

Room Terminal HMI Tiny

1. Technical detailes

- Dimensions: 71 x 71 x 25 mm
- Supply voltage: 24 V AC/DC +/-10%
- Operating indication (input 0/24 V)
- Failure indication (input 0/24 V)
- Built-in PT1000 temperature sensor
- Power Switch NO output
- Storage temperature: -20 70 °C
- Degree of protection: IP20

2. Scheme
